- b) Always leave your clubs at the exit of the green nearest to the next tee before putting out, and always move off the green before filling in your card.
- c) If you think that your ball may be lost, play a provisional ball before you go to look for it.
- d) If you cannot find your ball, call the following group through. However, if you subsequently find your ball before they catch you up, then hit your shot so that you are ready to follow them up the fairway.
